

# Dual Powerhouse

ApeosPro C810 series  
Apeos C8180 series

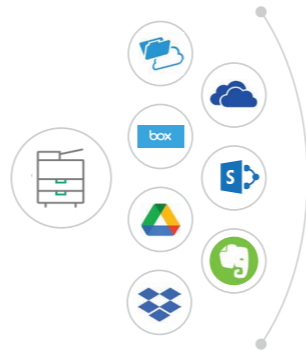

# Dual Powerhouse

High quality with seamless integration features makes ApeosPro and Apeos series devices the true smart office assistants. High durability along with capability to personalize and deliver end-to-end content, bring much needed Print-On-Demand concept in-house for better visibility and control.

## Centralised Cloud Integration

- Support upcoming hybrid work style between home & office
- Direct connectivity with multiple cloud services
- Cloud printing for virtual office environments

## Mobile Integration

- Print or scan directly on the smart phone
- Use mobile as virtual device UI for pre-setting jobs
- One mobile app Print Utility for all

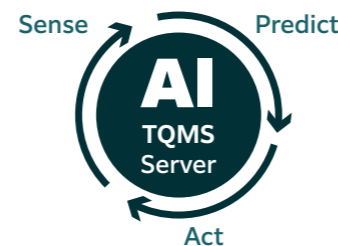

## Colour Management

- Vibrant colours with smooth gradation
- Smooth reproduction of intermediate tones
- Clear reproduction of fine lines and small text
- Powerful print server\* with 10 bits processing

## Predictive Maintenance

- AI based technology for constant monitoring & alerts
- Predictive alerts make customer take informed decisions
- Low downtime & improved operating margins

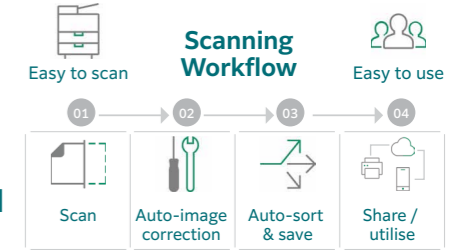

\*Only with ApeosPro Series

Note: Mentioned features may require additional accessories. Please contact your local sales office

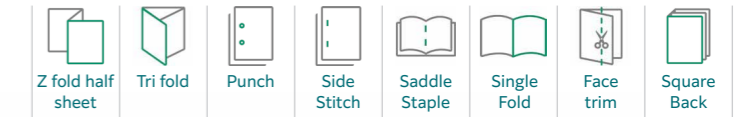

## Workflow Integration

- Ease of use with one touch scan workflows
- Minimize errors with multi-feed detection
- No waiting time with 270 ipm scanning speed

## Finishing Capabilities

- Office document stapling & booklet creation
- High end production finishing capabilities
- Fold, Punch, Crease, Trim, Square spine finish

## A Real Powerhouse

- LED Print head with 2400 dpi resolution
- Up to 1300 mm banner printing
- From 52 gsm to 350 gsm media handling

## Security & Continuity

- Tamperproof with auto recovery feature
- Top industry encryption standards (TPM, WPA 3, SSL)
- Authentication & user wise tracking for cost allocations

# Smart “Connected” Office

A seamless connected office with smart workflows between multifunction printers, client devices, smartphones and multiple cloud services. ApeosPro & Apeos series slide right into the heart of your smart office workflows with ease and enhances overall experience with usability, connectivity, security, quality and high versatility.

## Marketing Department

- Seamless mobile & cloud connectivity
- Quick one touch and inter-connected workflows
- Reliable devices with almost no downtime
- Easy cost allocation based on each user or group

### Apeos C7070 Series

## Reception

- Less waiting time with fast output
- Smaller footprint for space utilization
- Present better impression with nice quality

### Apeos C325 Series

## Corporate Print Room

- In-house On Demand printing of marketing collaterals
- Heavy data files handling (e.g. CAD drawing) with short turnaround
